

## e-Gov App Store - Application On-Boarding procedure

To onboard your application on e-Gov App Store, a contributor needs to follow the following procedure:

1. Browse **<https://apps.gov.in/>** and click on Login.
2. Login using your PARICHAY user-id / password.
3. Fill the application details by following “Dashboard -> Share an App” link.
4. Submit the details to Validator (Reporting officer of application contributor) for review.
5. Validator must verify and forward application to APP STORE PMU review for testing and publishing.
